

HANDCRAFTED IN BANGLADESH

Bring Nature to Your Home

Sustainable handcrafted home décor, storage and lifestyle products — made from natural fibres for importers, retailers and private-label brands across Europe and the USA.

SEAGRASS · JUTE · RATTAN · KANS GRASS · DATE LEAF · PALM FIBRE · WATER HYACINTH · HANDLOOM RUGS

Company Overview

RES ECO-CRAFT is a Bangladesh-based manufacturer and exporter of sustainable, handcrafted home décor, storage and lifestyle products made from natural materials.

Supported by more than 120 skilled artisans and employees and a network of three production facilities, we supply importers, wholesalers, retailers and private-label brands across Europe and the USA.

Every piece is shaped by hand — combining traditional Bengali craft skills with export-grade quality control, flexible customisation and dependable delivery.

Our Strengths

End-to-end sourcing

From vetted in-house facilities and trusted artisan groups.

Customisation

Design, size, colour, finish and packaging developed to your brief.

OEM & private label

Your brand, your labels, your hang-tags — production-ready.

Strict quality control

Dedicated QC team with in-line and final inspections.

Sustainable & ethical

Renewable natural fibres and responsible labour practices.

Export expertise

Reliable shipment, documentation and logistics support.

Why choose RES ECO-CRAFT

A focused, export-oriented partner with the flexibility of a craft workshop and the discipline of a compliant factory.

- Export-focused production with USA & EU market experience
- OEM & private-label manufacturing
- Low MOQ — from only 300 pcs per design
- Sample development within 3–4 days
- Bulk lead time of 45–60 days
- Sustainable, eco-friendly natural materials
- Competitive Bangladesh sourcing advantage
- Dedicated quality-control team
- Reliable shipment and export support

Seagrass

Hard-wearing and naturally water-resistant, hand-twisted seagrass gives storage baskets a rich, rustic texture that suits living rooms, nurseries and laundry spaces.
